

AUB GROUP LIMITED CONTINUOUS DISCLOSURE POLICY

Effective 1st July 2020

1. COMMITMENT TO DISCLOSURE AND PURPOSE

1.1 COMMITMENT

AUB Group Limited (**Company**) is committed to providing timely, complete and accurate disclosure of information to the market in accordance with its continuous disclosure obligations under the Corporations Act 2001 (Cth) (**Corporations Act**) and the ASX Listing Rules.

1.2 PURPOSE OF THIS POLICY

The purpose of this Continuous Disclosure Policy (**Policy**) is to:

- assist the Company and individual directors of the Company (**Directors**) and Officers (as defined in paragraph 1.3 below) to comply with continuous disclosure obligations under the Corporations Act and the ASX Listing Rules incorporating best practice guidelines suggested by the sources listed in paragraph 2.3;
- ensure announcements to the market are presented in a factual, clear and balanced way;
- design procedures so that all shareholders have equal and timely access to material information about the Company; and
- prevent any selective or inadvertent disclosure of any material price sensitive information concerning the Company.

1.3 APPLICATION OF THIS POLICY

This Policy applies to the Company and its Directors, Officers, employees and contractors (each an AUB Connected Person).

For the purposes of this Policy, an Officer means AUB's Directors, Group Legal Counsel, Group Company Secretary and members of the Group's Executive Management Team.

2. CONTINUOUS DISCLOSURE OBLIGATIONS

2.1 DISCLOSURE OBLIGATIONS

The Company is listed on ASX and must comply with the continuous disclosure obligations in the ASX Listing Rules. These obligations have the force of law under the Corporations Act.

In accordance with ASX Listing Rule 3.1, the Company is required immediately¹ to notify the ASX of any information of which it becomes aware, and that a reasonable person would expect to have a material effect on the price or value of any securities issued by the Company unless an exception under the Listing Rules applies (as described below).

Disclosure is made by making an announcement to the market announcements platform on ASX.

The Company becomes aware of information if any of its Directors or Officers has, or ought reasonably to have, come into possession of the information while performing his or her duties as a Director or Officer of the Company.

2.2 EXCEPTIONS

The continuous disclosure rules contain specific exceptions which, if applicable, mean that disclosure may not be required or is deferred. The exceptions under Listing Rule 3.1A provide that disclosure under Listing Rule 3.1 is not required for so long as all of the following three conditions are satisfied:

- one or more of the following conditions apply:
 - it would be a breach of a law to disclose the information;
 - the information concerns an incomplete proposal or negotiation;
 - the information comprises matters of supposition or is insufficiently definite to warrant disclosure;
 - the information is generated for the internal management purposes of the Company; or
 - the information is a trade secret; and
- the information is confidential and the ASX has not formed the view that the information has ceased to be confidential; and
- a reasonable person would not expect the information to be disclosed.

If an exception might apply, this does not qualify or change the obligation on AUB Connected Persons to communicate or report material information under this Policy. All the AUB Connected Persons must maintain and keep all material information strictly confidential until it is released to ASX and becomes generally available.

If material information is no longer confidential (for example, if it is reported or referred to in the media or any information agency screens, or is discussed on social media platforms), once they become aware, the AUB Connected Persons must inform the Group Company Secretary immediately with a view to ensuring that the Company complies with its continuous disclosure obligations.

¹ ASX in Guidance Note 8 interprets immediately to mean promptly and without delay.

2.3 BEST PRACTICE GUIDELINES

In addition to the legal requirements under the Corporations Act and the Listing Rules, there are guidelines published by various bodies from time to time and which will be monitored, such as those set out in Annexure B.

3.6 ROLES AND RESPONSIBILITIES OF THE GROUP COMPANY SECRETARY

The Company has appointed the Group Company Secretary as the person responsible for communication with ASX in relation to listing rule matters and also for the general administration of this Policy.

The Group Company Secretary's responsibilities include:

- seeking to ensure that the ASX is immediately notified of any information which needs to be disclosed;

3.7 AUB CONNECTED PERSONS TO REPORT MATERIAL INFORMATION TO THE GROUP COMPANY SECRETARY

To enable the Disclosure Committee to possess all required information to make applicable disclosure determinations, each AUB Connected Person must immediately provide the Group Company Secretary with details of any information that:

- is material information; and
- is not generally available (i.e. the information in question has not been included in any Annual Report, ASX announcement or other the Company release or publication),

on becoming aware of that information with as much detail about the matter or information as is reasonable in the circumstances and a brief description of why the information does or may have a material effect on the price or value of the Company securities. Such examples include:

- a general outline of the matter or information;
- details of the relevant parties;

A list of matters that may be considered material is set out in item 1 of Annexure A. This list is only indicative and should not be seen as an exhaustive list of the matters that should be considered for disclosure.

The AUB Connected Persons should also inform the Group Company Secretary if they consider or are aware of any prior disclosure to the ASX which is inaccurate or incomplete.

4. DISCLOSURE

4.1 DISCLOSURE TO THE ASX FIRST

The Group Company Secretary will coordinate disclosure to ASX, once a decision to make that disclosure has been made in accordance with this Policy.

The Company must not release material information publicly until it has been disclosed to the ASX and received confirmation from the ASX, as notified by the Group Company Secretary.

The Company will not engage in selective or differential disclosure of material information, or disclose any material information under an embargo arrangement that it intends to make public at a later time.

All material releases to the ASX will be promptly posted on the Company's website by the Group Company Secretary.

The fact that information about a company is widely known does not avoid the obligation to disclose it to the ASX. Press releases will need to be copied to the ASX if they contain any material information not already disclosed to the market.

4.2 ANALYST/INVESTOR MEETINGS

The Company recognises the importance of its relationships with investors and analysts. From time to time the Company conducts analysts and investor briefings. In these cases the following approach is adopted:

- 1) all communications with market analysts or investors will be conducted by the CEO and CFO, or either of the CEO or CFO and one of the following individuals:
 - at least one other senior executive approved by the CEO or CFO; or
 - a Non-Executive Director or a representative from the Company's investor relations advisors.
- 2) the CEO or CFO may conduct analysts and investor briefings without the participation of a second party from the Company if approved in advance in writing by the Chair;
- 3) no material information will be disclosed at these briefings unless it has been previously

simultaneously released to the ASX and copies will also be placed on the Company's website;

- 4) prior to any such presentations being used, its content will be reviewed for any new material and an appropriate record will be kept of this review, which record will be maintained by the Group Company Secretary;
- 5) questions at briefings that deal with material information not previously disclosed will not be answered;
- 6) if material information is inadvertently released during a briefing, it will immediately be released to the ASX; and
- 7) a record of all meetings and briefings with investors or analysts will be kept, including confirmation that no new material information was disclosed.

All meetings with shareholder advisory groups in conjunction with the Annual General Meeting will be conducted by a Non-Executive Director that the board authorises, who will usually be the Chair and/or the Chair of the Remuneration & People Committee.

4.3 ANALYST REPORTS AND ESTIMATES

The Company may review analyst reports if requested to do so. Any review of analyst's reports will be limited to the clarification of historical information and correction of factual inaccuracies, provided that this can be achieved by using information that has previously been disclosed to the market.

No comment or feedback will be provided on financial forecasts, including profit forecasts prepared by the analyst, or on conclusions or recommendations set out in the report. The Company will communicate this Policy whenever asked to review an analyst report.

The Company will not endorse, or seek to endorse, analyst reports or the information they contain. Accordingly:

- while the Company may, from time to time, distribute or use individual analysts' reports or projections internally, no AUB Connected Persons shall distribute an analyst's report to an external party other than to the Company's professional advisers and auditors, without first obtaining the permission of a member of the Disclosure Committee to do so;
- the Company shall not refer to or incorporate in its corporate information individual analyst recommendations on its website; and
- the Company shall not selectively refer to a specific analyst's report, or publicly comment on an
- individual analyst's recommendations or proprietary research other than to correct factual errors or incorrect historical information.

4.4 CHATROOMS, SOCIAL MEDIA AND OTHER INTERNET FORUMS

AUB Connected Persons must not participate in chat room or social media discussions or updates, including posting pictures, on the internet where the subject matter relates to the Company.

4.5 PRE-RESULT PERIODS

To prevent the inadvertent disclosure of material information, during the periods between the end of the Company's financial reporting periods and the announcement of its results, the AUB Connected Persons must not discuss any financial information, broker estimates or forecasts with investors, analysts or the media unless that information has previously been disclosed to the ASX.

Additional periods in which interviews or presentations are not permitted without prior approval of the CEO or CFO may be imposed. Relevant AUB Connected Persons will be notified of any such additional periods.

4.6 MEDIA

The Company periodically issues information to the media and other external communication channels. No material information will be released (even on an embargoed basis) before it has been disclosed to the ASX.

All continuous disclosure communications with the media must be conducted by the CEO, CFO or the Chair or a person authorised by them, and only to the extent of that authorisation.

The Company has a general "no comments" policy in relation to market speculation and rumours, which must be observed by AUB Connected Persons at all times. However, the Company may issue an announcement in response to a market speculation or rumour where it is necessary to do so to comply with the continuous disclosure obligations, for example, for the purpose of correcting factual errors or responding to a formal request from the ASX for information.

The Company will not provide the media with exclusive interviews or information that potentially contains any material price sensitive information prior to disclosing that information to the ASX. It will also not provide any information "off the record".

The Company will not disclose any information that is potentially material price sensitive information publicly under an embargo arrangement prior to release to the ASX.

AUB Connected Persons who are approached by the media or any external parties for information should observe the "no comments" Policy and notify the Group Company Secretary as soon as possible.

4.7 FALSE MARKET

Under ASX Listing Rule 3.1B, the Company is required to make a clarifying statement or announcement to the ASX in circumstances where the ASX considers that there is, or is likely to be, a false market in the Company's securities, and requests information from the Company to correct or prevent the false market. The Company is required to provide this information even if an exception to the continuous disclosure rules applies.

Therefore, if any the AUB Connected Persons become aware of information that is based on rumour or speculation that may give rise to a false market in the Company's securities, that person should provide

such information to the Group Company Secretary (with as much detail as is reasonable in the circumstances), including, for example:

- detail of the rumour or speculation;
- the source of the information; and
- the estimated effect of the information (if true) on the Company's business, finances, operations and/or reputation (if known).

4.8 TRADING HALTS

The Company may ask ASX to halt trading in its securities to manage disclosure issues, thereby facilitating a fair and informed market in the Company's securities.

No AUB Connected Person is authorised to initiate a request for a trading halt other than through the Group Company Secretary (who must obtain Chair's approval before making the request of the ASX, except in the case of emergency or unavailability, where the Group Company Secretary must obtain the approval of the CEO or CFO).

4.9 HANDLING OF CONFIDENTIAL MARKET SENSITIVE INFORMATION

In relation to the handling of confidential market-sensitive information, the Company will:

- implement internal systems to protect confidential, market-sensitive information, including to ensure that employees and Directors are aware of their confidentiality obligations;
- maintain an insider list when conducting a confidential, market-sensitive transaction;
- request advisers and other service providers to enter into confidentiality agreements before passing on confidential, market-sensitive information and, if in doubt, seek confirmation from those advisers and other service providers that they have in place policies and practices relating to the handling and control of confidential, market-sensitive information that satisfy the terms of the confidentiality agreement; and
- seek information from its advisors in relation to which, when and how potential investors are being sounded on the Company's behalf by those advisors in relation to any transaction involving the Company.

4.10 COMPLIANCE

All the AUB Connected Persons must comply with this Policy. In addition, the Company will require professional advisers to acknowledge and adhere to this Policy, including by way of execution of a confidentiality agreement which contains provisions that bind the advisers to adhere to the terms of this Policy.

The Company will contravene its continuous disclosure obligations if it fails to notify the ASX of information as and when required by ASX Listing Rule 3.1.

Either the ASX or ASIC may take action upon a suspected contravention of the ASX Listing Rules or the Corporations Act.

Serious criminal and civil penalties apply for failure to comply with the continuous disclosure obligations, both at the Company level and for individuals. Any known or suspected instances of non-compliance will be reported to the Group Company Secretary for full investigation and appropriate disciplinary action. Employees should be aware that breaches of this Policy may result in summary dismissal and may also attract civil penalties under the Corporations Act.

5. REVIEW

This Communication Policy will be periodically reviewed to ensure that it is operating effectively and to determine whether any changes are required to it. This policy may be amended by resolution of the Board.
